

# Our Values

**DUTCHTOWN SOUTH**  
COMMUNITY CORPORATION

## **EQUITY**

The distribution of material and nonmaterial assets in a manner that brings the greatest benefit required to address disparities faced by marginalized communities.

## **CREATIVITY**

Nurturing and promoting ingenuity in problem solving, intervention and design for long-term social and spatial balance.

## **TRANSPARENCY**

The openness of process, rules, rights, and procedures through the sharing of knowledge and information.

## **COLLABORATION**

The process by which individuals or collective groups work together to do something by asking for partnership, leveraging resources and starting locally.

## **OWNERSHIP**

The ability for our community to have a stake in property, process, outcome, and other assets.
